

Virtual Volunteering & Community Drive Guidelines

If you would like to organize a food drive, please consider the following materials on the next page.

Gift Drive

Choose a holiday gift for one of your neighbors in need! You can purchase several small items, or one larger gift. (Parents: we recommend about \$15-\$20 value per gift)

*Please note gifts are distributed during Eid and Christmas each year.

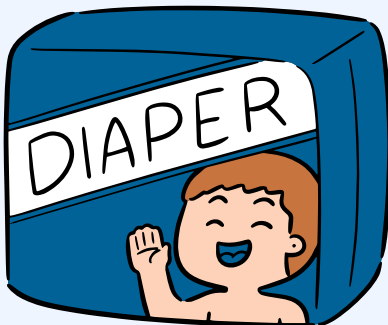

Make your gift extra special by adding a card with a message of love and hope!

Diaper Drive

Donate disposable diapers to assist Zaman's mothers and youngest clients in need.

Within our client families, diaper sizes 3 and 4 are most commonly needed.

Coat Drive

Collect new (unused) adult winter coats to help our Zaman's clients prepare for the cold season.

We accept coat drive donations during August and September to be distributed in October.

Cereal + Milk Money

Cereal drives provide Zaman extra resources to purchase dairy products.

Despite their popularity, dairy products are among the least donated items. For every \$10 donated, food pantries can purchase up to 12 gallons of milk.

Monetary Drives

Zaman has a larger buying power than normal buyers.

By collecting monetary donations, Zaman can purchase necessary items for any of our programs.

After Collecting

Donations can be delivered to
Zaman's Hope For Humanity Center
26091 Trowbridge St, Inkster, MI 48141

To arrange a pickup for large donations,
